

Joona's Peace Song

Joona C. / 7. Klasse Internationale Friedensschule, Köln

This is our world
we only have one
don't destroy it
but help it once.

Let's come together
to make it one
and ensure peace
is the main factor of one.

We are the ones
that make earth earth
we are the ones
who should care for it.

Let's make earth
a peaceful planet
and bring it
into the light.

It is the dark
that makes earth evil,
it is the light
that lets us live.
